PROJECTS

Snake And Ladder Project, *Client/Server Java Group Project*

January 2020 – May 2020

- Collaborated with a team to develop an interface that allows users to communicate through Java's object I/O manipulation classes.
- Developed design for the user interface to gain access from the same server, and action to play and chat from multiple clients.

Travel Website Project, *Web & Mobile II*

January 2020 – May 2020

- Created an individual project based on experiences in Shanghai, so that users may gather information on the country when planning to travel.
- Developed a responsive website using HTML, CSS, JavaScript, and PHP designed for a flexible website with easy navigation and simple style.

WORK EXPERIENCES:

Atimobile USA Inc

May 2019 - August 2019

Customer service

Brooklyn, NY

- Communicated with different phone companies such as AT&T, T-Mobile, H2O Wireless, Lycamobile, and Red pocket.
- Handled customer issues and concerns with billing, services, phone number transfer, and communicated to upper management main concerns.
- Provided and collaborated with team members finding best ways to enhance customer service.

Formosa Café

June 2018 – August 2018

Cashier and Barista

Brooklyn, NY

- Created a variety of drink orders accurately during busiest business hours.
- Provide customer service and public relations.
- Responsible to help train three new cashiers.

Grace Learning Center

March 2018 – June 2018

Teacher assistant

Brooklyn, NY

- Supervised students from first to fourth grade with their home works for four months. Helping their progress into next grade level.
- Organized and planned out tutoring sessions, homework assignments, and fun activities to keep the students engaged.
- Communicated with parents providing feedback of progress and strategies to help with academic improvement.
